MESSAGE FROM THE PRESIDENT

It is with great joy that I pass on that the first summer festival was a success; even if we got rained out one day. Thank you to all who helped out to make this event run smoothly. You are great people and I have so enjoyed working with and getting to know you all. As most of you know, Terry and Harriet have announced they will “retire” as officers at the end of the year. This will certainly leave a gap that will need some dedicated people to fill, just as Terry and Harriet have done for such a long time. If you are interested in running for one of these positions, please let me know so we can start on a transition phase as soon as possible. There is so much knowledge that will need to be passed on and Terry and Harriet will help make that happen. Good luck with your tractor pulling and remember, SAFETY FIRST! —Pam

Highlights of the 20th Annual MATC Festival

What an exciting time for many of our MATC members! Our 20th festival was held on our land. Some great members worked hard to get the grounds ready. I found my space on one side of the new building. When I had a break Saturday afternoon, I couldn't believe all the activity going on outside. The weather was beautiful Saturday, but the Maine weather closed us down Sunday. Despite this, I think we had a successful festival. It will be even better next year.

Winners of the raffle were:

- Greg Drummond from Highland Plantation - Ford 8N
- Gary Smith from Mendon, MA - $100
- Dale McConnell from Norway - pedal tractor

Now I'm ready to enjoy the summer camping. Have a great summer!

Respectfully submitted by Harriet Spencer, Secretary

P.S. If you are planning to be in the Smithfield parade, you may park your truck, trailer, etc. in our dooryard. We have room.

As two of our club's long time members and officers are looking to retire their positions at the end of this year, we wish to recognize them in the Smithfield parade on Sunday, August 2. The parade starts at 1pm with line-up starting at 12:00. You may park your truck and trailer at Watson's Storage Barn, on route 8, on the top of the hill before you go into town. Look for our MATC sign to point the way to the parking area. The people mover will also be in the parade for anyone interested in riding on it. We hope to have a grand turn out of tractors for this parade as it is Terry and Harriet's hometown. (We will even try to have the Spencer's ride the people mover).

NEXT MEETING: July 26, 2015
At the clubhouse, with Steve & Sharon Lee as hosts.
Noon lunch and 1:00pm meeting.
Please bring a dish to share as there will be no cookout.
